PERMANENT GLOSS PAINT.
Important Improvement in Painting!
A PERMANENT GLOSS PAINT for interior work has long been a desideratum. All paints prepared from Linseed Oil, will rapidly turn from the lightest and most opposite tints to the yellow color of the oil itself, the change being the more rapid as the paint is excluded from the full light of day.
The subscriber after a sufficiently long experience in its use, can recommend it as the only Gloss Paint in which this important defect is effectually remedied. This beautiful paint can be applied of any color, from the purest white, resembling enamel or porcelain, to all the different varieties of tints, suitable for private dwellings, Churches, Hotels, &c., whilst in brilliancy and richness of surface it surpasses all other paints, it possesses superior advantages in retaining permanently even the most delicate colors with which it is combined.
Also, Plain and Ornamental Painting, decoration of Private Dwellings, Churches, &c., Sign and Fancy Painting.

THE ARMY BILL PASSED WITHOUT THE PROVISO!

ADJOURNMENT OF CONGRESS.

Saturday evening's report brought us the not unexpected news of the defeat of the freemen in the House on the Army Bill, brought about by the half dozen Fillmore men in the House—shame on them!

Also of the failure of an attempt to quash the treason indictments, and the adjournment of Congress.

Great Democratic "State Convention!"

TREMENDOUS FIZZLE!

The Pro-Slavery Democracy were exultant on Saturday morning. They looked down on all other folks in that half curious half pitying [illegible] that men look on a man [illegible] The [illegible] whose spirits could be kept up on [illegible] down and talked about John Van Buren. They [illegible] bets they thought Buchanan was already elected. They had their posters out—their cannon—their bands of music [illegible] looked well.

The pro-slavery democracy by six o'clock [illegible] going home to their suppers, crest-fallen [illegible] earnest thinking men, gathered to [illegible] John Van Buren justify himself, received and swallowed up the hundred or so of [illegible] office holders, office seekers and leaders of the party, who ascended the platform, and hob-nobbed with each other there, to the [illegible] of the crowd. The speech fell flat upon the audience—on the platform it was difficult [illegible] good laugh except at some of the [illegible] jokes and unsurpassed buffoonery, and when the speaker so far forgot himself as to [illegible] all the Hunkers by stating that he believed that *Congress had a right* to interfere as to slavery in the Territories, but ought not to [illegible] it was as if the platform had broken down.

There might have been at this "Great Mass State Convention" as many as 600 or 700 people [illegible] at one time, perhaps a hundred or two more, and a large portion of them were Fremont men gathered to see what they did see. John Van Buren [illegible] hard work for him, and he ought to be allowed to retire.

JOHN VAN BUREN AND THE BRITISH PRESS.—Prince John, during his speech on Saturday, remarked, that *all* the British Press, without an exception, favored the election of Fremont.—Prince John is mistaken. "Lloyds, *Weekly London News*," which has an immense circulation, and is the most radical [illegible] paper in the world, and is edited by Douglas Jerrold, goes for Buchanan, who was an intimate friend of the [illegible]

DOINGS IN KANSAS.—We had a call on Saturday from young RINKER, who, with CLINE, has been mentioned as having been stripped of everything by the Border Ruffians and sent to a Missouri jail. He has given us a written narrative of his adventures, which we shall try to find room for to-morrow.

STATE ELECTOR—SECOND DISTRICT.—We place at the head of our columns the name of WALTER D. MCINDOE, who was nominated by the Mineral Pt Convention. Mr McINDOE is a thorough going Republican, and a man of large influence in the district. His name will add strength to our ticket.

A "Bold, Bad Man."

Perhaps we are wrong in saying that John Van Buren is a bad man, as that ancient word running to us through many languages, is generally understood and Webster's definition are very voluminous, and not complimentary. We will not insist upon it, if it hurts anybody's feelings. But he certainly is a bold man.

We published on Saturday morning, by way of a little aid and comfort to our Hunker friends in building their platform for the speaker of Saturday evening, a couple of the resolutions of the Buffalo Convention of 1848. We give them again to-day, in connection with two others, the last of the series being the strong and manly resolution, first on the Buffalo Platform.

Here they are:

Resolved, That the proviso of Jefferson to prohibit the existence of slavery after 1800 in all the Territories of the U. S. Southern or Northern, the votes of 6 States and 16 delegates in the Congress of 1784, for the proviso, to 3 States and 7 delegates against it, the actual exclusion of Slavery from the Northwestern Territory by the ordinance of 1787, unanimously adopted by the States in Congress, and the entire history of that period, clearly show that it was the settled policy of the nation not to extend, nationalize or encourage, but to limit, localize and discourage Slavery, and to this policy which should never have been departed from, the government ought to return.

Resolved, That the true, and in the judgment of this Convention, the only safe means of preventing the extension of Slavery into territory now free, is to prohibit its existence in all such territory by Act of Congress.

Resolved, That we accept the issue which the slave power has forced upon us, and to their demand for more slave states and more slave territories, our calm but final answer is no more slave states and no more slave territory. Let the soil of our extensive domains be ever kept Free, for the hardy pioneers of our land, and the oppressed and banished of other lands seeking homes of comfort and fields of enterprise in the new world.

Resolved, That we inscribe on our banner "FREE SOIL, FREE SPEECH, FREE LABOR, and FREE MEN," and under it will fight on and fight ever until a triumphant victory shall reward our exertions.

That was strong and plain language, and at that time was advocated and contended for by no one more strenuously than by John Van Buren. Did he believe in it then? Was he sincere? If not, why did he advocate it? If he was sincere, what has since occurred to change his conviction? How has he [illegible] become an advocate [illegible] to stand [illegible] on a platform which denies all right to Congress to meddle in the Territories in regard to Slavery, and denounces as infamous all who urge the question in or out of Congress. This is what we would like to know, and what the people would like to know, and what Mr Van Buren failed to inform them satisfactorily, and the only effect of the long prepared demonstration of this erratic politician is that the people believe him more than ever to be one of those unprincipled [illegible] the jokers sort of men who can never be [illegible] they [illegible] always cheating somebody.

Said John Van Buren in 1848:

"I NEVER VOTE FOR OR ADVOCATE THE ELECTION OF A MAN TO OFFICE HOLDING VIEWS OPPOSED TO THE DOCTRINES OF THE BUFFALO PLATFORM. MAY MY RIGHT HAND FORGET ITS CUNNING AND MY TONGUE CLEAVE TO THE ROOF OF MY MOUTH, AND ANY MAN HOLDING CONTRARY VIEWS, AND LIVING AT THE NORTH, OUGHT TO BE PEREMPTORILY DAMNED."

People of Milwaukee who heard Mr Van Buren on Saturday [illegible] consistency.

Out of its Element.

We affectionately advise our Hunker brethren of the press to stick to their own texts, and continue to laud the Cincinnati Platform, and Mr Buchanan, and labor for the extension of Slavery directly and indirectly. They understand all that. They are advised, by their Allies of the Slave power, that their cue is to talk of the Union being in danger, and to abuse Col Fremont, and to frighten the Adopted Citizens with the bugaboo of K. N.ism, so as to allow all the Slavery Propagandists, K. N.s and all to elect Buchanan. These Southern Allies do not [illegible] them to prove Fremont a pro Slavery man—it is a business of which the Hunker presses know nothing, and besides, although such articles exhibit the ready zeal of the Northern doughfaces in their willingness to make the people of the Free States believe that Fremont is in reality a Slavery man, yet if the charge could be made out, he might take the Southern States from Buchanan.

We thought of this when reading the last demonstration of the *News* upon Col Fremont, [illegible] certain votes in the Senate, during the pendency of the bill to abolish the Slave trade in the District of Columbia. Col Fremont had but recently returned from California where his efforts and influence had been exerted to make that State *free*, and his position on the question was well understood. He believed that the disgraceful traffic ought to be abolished in the District, and so voted with all the free State men. He did not believe that the time was come for abolishing slavery itself in the District, and voted against the proposition to amend the first bill to that effect. He believed that the one could be carried, and the other could not, and voted for that which was practical. That is the whole of the matter. The *News* is but a sorry [illegible] poor authority on our side, and we hope that it will not so far forget itself as to continue the attempt to make anti Slavery arguments. It is reasonably good authority on sporting, and some other matters, but it can't talk sense except on the pro slavery side, and some people have doubts as to that.

We can only account for the recent [illegible] by our neighbor, on the supposition that John Van Buren [illegible] a copy of the Buffalo Platform by mistake, instead of that one made at Cincinnati. Look out neighbor, or the Richmond papers will disown you!

ROCKY MOUNTAIN CAMP HOUSE.—The design of the 4th ward Fremont Club to build a Camp House for public meetings has been abandoned for a plan, concerted among all the City Clubs, to erect at the corner of Spring and Second Sts, 4th Ward, a large house, say [illegible] feet by 100 which will accommodate all the Clubs and hold the thousands who will wish to meet together during the Campaign. It is to be ready for inauguration on Wednesday afternoon of this week, when a good time may be expected.

METOMEN.—We learn from the Fond du Lac *Freeman* that the town of Metomen has been canvassed under the auspices of the Republican Club of the town, and the result shows that Buchanan has eight, Fillmore six, two on the fence, and all the rest, over 200, are for Fremont. Last fall's vote stood 15 for Barstow, 131 for Bashford.

The same paper states that a company of about 60 are to start from Ripon, Sept 18th, bound for Kansas. They are all Freedom loving men, who have associated themselves together, and are going to contribute themselves to the cause of Freedom in Kansas.

GRAND RALLY IN BELOIT.—We publish again to day the call for the Fremont meeting at Beloit. The *Journal* says that Messrs. NYE of New York, Hon OWEN LOVEJOY, M. P. SWEET and J. C. VAUGHAN have been engaged as speakers from abroad.

The New Compensation Bill.

The Ohio *Patriot* announces, with a flourish of trumpets, *that the "Black Republican Congress" has doubled its own pay*. This is tolerably cool, considering that the compensation bill originated in the Senate, where "Black Republicans" are about as plentiful as in Alabama, and was amended in the House on motion of Mr Orr of S C. No party gave a smaller proportion of its votes for this bill than the Republican, which, being a minority in the House, and barely a dozen strong in the Senate, is thus charged with its entire responsibility. But such mean attempts to make party capital will only react on their authors.—*N. Y. Tribune.*

Correspondence of the Sentinel.

Politics in Washington County.

WEST BEND, Aug 28.

EDITORS SENTINEL.—To-day's *News* of your city contains an article, dated the 25th inst, at this place and signed "L S ——" in regard to the Republican meeting at the Court House in this village on the evening of the 23d inst. You will see by looking at the *News* that the "——" is the *real name* of that personage, and the L S the initials of his given names. If you knew him, you would not wonder at his signing his name "——," for surely, he is the *blankest* specimen of *humanology* that has survived the *frosts* of this region! His account of the meeting is FALSE from beginning to end, and the proceedings, as published in your paper of to-day by the President and Secretary, are strictly true.

It is *false* that but 8 signed the constitution! It is *false*, that the Republicans were six weeks in getting up the meeting! It is *false*, that those who signed the constitution belonged to Clubs in Hartford or Barton! It is *false* that the Secretary nominated himself! It is *false* that a German announced that he had used his best endeavors to persuade the Germans to join the Club, but could not induce but three to join! It is *false* that that German (referred to by "——" can hardly read and write his own language, and does not understand the English at all! It is *false* that he is a candidate for [illegible] office, and has made any such promise as Mr "——" imputes to him! Mr "——" *lies* when he says that the Democratic Club of this place has 200 members, or half that number!

Mr Trackat, the German alluded to by "——" is one of the best educated Germans of the County. He is and has been for some time, a correspondent for several German papers—among which are the "Atlas," of Milwaukee, the "Hoch[illegible]" of Cincinnati, the others I do not now recollect. If this "——" man possessed any *honesty, decency, or ability*, he would not be engaged in trying to [illegible] the "*News*." This Mr "——" is the wise man that undertook to teach the people of this place, that the Missouri Ruffians had a *right* to vote in Kansas, [illegible] Kansas was IN the State of Missouri! And that the Investigating Committee *would not allow* any pro-slavery men to give evidence before it. And he is also one of those "——" [illegible] hanging around cities and villages without any visible means of support. Mr "——" claims to have *free Soul!*

[illegible] notice was given of the meeting in question, and it was admitted by democrats present, that the attendance was a good one.—When the Democracy claim so large a majority in this town and county, they reckon without their host, for the true men are awake and at work for Freedom and Fremont, and will surprise the most sanguine when the votes are counted next November. And that accounts for the little *[illegible]* Democratic paper of this place, taking to lying so. They see that the honest yeomanry are forsaking them, and they have lost their temper. It is *just so generally among the democrats*. They are as cross as young hornets! Who would not be, *his angry passions rise* to be loaded down with such a conglomerated mass as the Cincinnati Platform and James Buchanan? for he has declared that they are one and inseparable.

The Washington County Democrat is a short lived [illegible] It barely maintains an existence. Six months more and I will write its obituary. It is already a hissing and byword among the [illegible] of our county. The [illegible] editor, the democrats will not sustain. They say he is too rotten! He would have gone up before this, had it not been for Republicans [illegible] the present canvass. His paper is so notoriously given to lying, that the democrats [illegible] of its injuring their prospects. If any one doubts that it will injure the party to which it adheres, let him read the last issue—[illegible] sheet—and he will be convinced.—It is nought but a bundle of falsehoods, aside from the advertisements. Of arguments, it has none. [illegible] notice, and see if this article don't cause it to scatter its filth over the pages of its next issue.

As we have no paper in this county, we have to rely on the press of Milwaukee to give us a hearing occasionally.

Yours, REPUBLICAN.

WISCONSIN RAILROADS.—The *N. Y. Tribune* of the 27th has the following in its money article:

Messrs Atwood & Co of No 8 Wall street, advertise that they will pay on the 1st of September next the coupon interest then due on the Bonds of the City of Milwaukee, issued to the La Crosse and Milwaukee Railroad Company, *on presentation of the coupons*, and also that due at the same time on the bonds of the same city, issued to the Fond du Lac and Green Bay Railroad company.

The *Evening Post* says:

"We have to remind our moneyed readers who are seeking for investments, that Anthony J Bleecker's sale of the bonds of the Milwaukee and Horicon Railroad Company will take place on this day week, the first September proximo. Mr Bleecker is now in Wisconsin examining the property, and his report will be forthcoming in a few days, meanwhile he writes home in confident terms of the character of the property, and its [illegible] basis of security for the bonds [illegible] The bonds for sale are eight per cent first mortgage bonds, dated 1st of May, 1855, for twenty five years, and are convertible into stocks within five years, a valuable *privilege*, [illegible] the rate at which the few Wisconsin roads [illegible] receipts and dividends.—[illegible] on forty two miles of road, between Berlin and the La Crosse Railroad, which it joins at Horicon, and the mortgage includes [illegible] rolling property, and all other property on the forty two miles of the road. A sinking fund is provided to secure the repayment of the bonds within the time appointed for their repayment."

GRAND REPUBLICAN RALLY! SEVEN COUNTIES CALLED!

The immense Convention of the Republicans of Rock County, recently in session at Janesville, adjourned to meet in the city of Beloit, on Wednesday the 3d day of September next. In response to this call the BELOIT FREMONT CLUB cordially invite the Republicans of Rock, Greene, Walworth, Racine and Kenosha counties in Wisconsin, and Winnebago and Boone counties in Illinois, as well as all others opposed to the corruptions and infamies of the present administration, and in favor of the election of Fremont and Dayton, to the Chief Executive offices of the nation, to meet them in Mass Convention in the City of Beloit, on the 3d day of September at 10 o'clock A. M.

The object of this meeting is to discuss the great and terrible issues forced upon us by the slave power, and to gird ourselves for a vigorous contest in defence of our liberties and the Constitution. By the action of the slave Oligarchy, which has the sanction of the falsely called democratic party, the rights and immunities of Freemen have been invaded and outraged in Kansas, and are severely threatened elsewhere. It becomes every man then, valuing his own freedom and cherishing a love for his country and its Constitution, now to rally in defence of both. Let us come *together* in counsel,—to mingle our sympathies with the oppressed and to stir ourselves for a conflict, on the result of which hang the destinies of our county and the rights *of* freemen.

The success of the Slaveocracy in this struggle installs tyranny in power for a time, and opens the way for usurpations and corruptions before unheard of. Let every lover of his country then, now rouse himself to action.

Among the distinguished speakers invited to address the people, are the Hon Abram Lincoln of Ill, Gen Nye, of New York, Judge Collamer of Vermont, Hon John P Hale of New Hampshire, besides several earnest and eloquent men of our own State.

Come one, come all, and let this be such a rally for freedom, as will convince the enemy, that the thunders of indignation which burst from the heart of an outraged and indignant people must be heeded.

By order of the Beloit Fremont Club,
E P KING, President.

H A NORTHRUP, Secretary.
BELOIT, Aug 1, 1857.

GENERAL TOM THUMB.—This wonderful little man, who is delighting crowds of visitors at Young's Hall, Milwaukee, will shortly pay us a visit. His business manager, M. Sheridan Corbyn, is in town making the necessary arrangements.—*Janesville Standard.*

Tom has not delighted us much yet, but he proposes to do so to-day. Good luck to him!

Second District Congressional Convention.

[illegible] Wednesday, Aug 27th.

TWO O'CLOCK, P M.

Convention called to order by the President *pro tem.*

Mr Crane from the committee on permanent *organization, made the following report:*

President—NOAH H VIRGIN of Grant.

Vice Presidents—S G COLLEY of Rock, J J JEFFRIES of Bad Ax, GUNDER TORGERSON of DANE, N L STOUT of Green and A H FRESNO of Richland.

Secretaries—DAVID ATWOOD of Dane and J B GRAY of St Croix.

On taking the chair, Mr VIRGIN made a brief but appropriate speech.

Mr Johnson moved that a committee of five be appointed to report resolutions expressive of the sense of this convention.

Messrs Johnson of Crawford, Crane of Iowa, Armstrong of Sauk, Cover of Grant, and Stout of Green were appointed such committee.

Mr Dean, of Dane offered the following resolution, which was adopted unanimously and with great enthusiasm:

Resolved, That the course of our present member of Congress, Hon C C WASHBURN, has been such as meets the hearty approval of all true friends of Freedom, that he has shown himself a man of integrity, ability, and firmness, that his record in the past is a guarantee of his fidelity to correct principles in the future, that his continuance in Congress, in the present crisis of public affairs is essential to the great cause of liberty and justice, and that this Convention, therefore, does hereby declare the Hon C. C. WASHBURN the unanimous nominee of the Republican party for re-election to the position he now fills with so much honor to himself and satisfaction to the people of his District.

On motion of Mr Allen of Iowa, the Convention proceeded to an informal ballot for Presidential Elector for this District, Messrs Dean and Town [illegible] acting as tellers, which resulted as follows:

Walter D McIndoe received 22 votes
Wm A Lawrence [illegible]
Moses S Gibson 8 [illegible]

On motion of S. G. Colley of Rock, Walter McIndoe was declared the unanimous nominee of the Convention for Presidential Elector.

On motion of Mr Baldwin of Dane, the chair appointed the following persons, a Congressional District Committee for the next two years:—David Atwood of Dane, Samuel G Colley of Rock, Hanmer Robbins of Grant, T S Allen of Iowa, and Moses S Gibson of St Croix.

Half Past 7 o'clock.

The resolutions introduced by the Committee, were taken up and read, and unanimously adopted, as follows:

Resolved, That the platform adopted by the recent Convention at Philadelphia, is prudent, sound, patriotic and national.

Resolved, That the platform adopted by the recent so called Democratic Convention at Cincinnati, is an abandonment of the original principles of the Government, a prostration of universal liberty for the sake of Southern votes: it strikes at the foundation of Republican institutions and if carried out, it will be the beginning of the end of Free Speech and Free Labor.

Resolved, That James Buchanan, in giving up his identity and resolving himself into the Cincinnati platform, has forfeited his last remaining claim upon the respect and support of the freemen of this Republic.

Resolved, That the nomination of Fremont and Dayton is the standard bearers of Free Speech and Free Labor, meets our hearty approval, and shall command our undivided support.

Resolved, That in the opinion of this Convention the present Administration has disgraced the American name, violated the Constitution of the United States, contemned the doctrines of the Declaration of Independence and rendered a radical change in the men and measures of our Federal Government indispensable.

Resolved, That, God helping us, KANSAS SHALL BE FREE.

Resolved, That all men are entitled to equal rights, and that we offer, in our platform and in our candidate, an ample guarantee that the rights of all irrespective of religion or nativity, shall be maintained.

Resolved, That we earnestly recommend to our fellow citizens throughout the District the immediate *organization* of Fremont Clubs in every School District. We have an untiring and unscrupulous opposition, backed by all the power and patronage of the Federal Government, and we must work if we would win.

After the adoption of the resolutions, the Convention and crowd of spectators were addressed by Messrs D D Cameron of La Crosse, James B. Cray of St. Croix, Virtor of Green, Armstrong of Sauk, Stout of Green, and Crane of Iowa, in stirring and effective speeches.

At frequent intervals during the sitting of the Convention, the members would rise and give three cheers loud and long for FREMONT and DAYTON.

On motion of Mr Cover the Convention adjourned with three cheers for FREMONT, three for FREEDOM and three for WASHBURNE.

NOAH H. VIRGIN, President.

From Our New York Correspondent.

NEW YORK, Aug 2[illegible] 1856.

Well has the People's House acquitted itself in this commencement of the extra session! Promptly have they met the call made upon them by the President to provide means of enabling him to wage war successfully with the Indian tribes from Florida to Oregon, and to fulfil all contracts for the supplies, and furnishing material and clothing for the army. Promptly have they met and provided for every exigency alleged in the Message of the President as the cause of convening this *extraordinary* session, and having thus granted all that the President asked they stopped wisely there, and did not grant what he did not ask, and should not be trusted with—the power to *enforce* the infamous laws imposed by the Missouri invaders upon the resident population of Kansas.

Well done! ye good and faithful representatives of the people!

But far other is the picture presented by the Senate of the U S.—the representatives of the States—the servants of State corporations, and not of the people at large. Although professed friends of the President, and by a large majority the upholders *par excellence*, as they claim to be, of law and order, of the Constitution and Union of the States—this body refuses the prompt and liberal appropriations voted for the army by the House—appropriations which as has been said already, meet every point presented in the Special Message—unless the House, with whom alone, by the Constitution, rests the right, in the first instance, of making appropriations, will permit the moneys they vote in pursuance of the demands of the executive, to be applied to a purpose not specified at all by the President, but which the slaveholders of the Senate have so much at heart that rather than forego it, they seem prepared to sacrifice the Army Bill entirely, and leave the land defenceless, in spite of the piteous appeal of their chosen chief *magistrate* for help. Let them do so, if they dare; but above all, let the people's *representatives* stand firm and flinch not. On the Senate, and not on them, will rest the responsibility of defeating the bill, if it is defeated, and tenfold rather would I see it defeated, than see any sanction given to the employment of the army against Freedom in Kansas. When the admirable speech delivered by Gov. Seward in the Senate in favor of the House proviso in this Army Bill shall shall be answered, and its facts and irresistible arguments be shown to be either inaccurate or defective, it will be time to consider whether the House should not recede—but not till then.

The House, it will be borne in mind, has receded from all the other provisos which, in different ways, they had appended to other bills in order to protect human life, and liberty and property in Kansas. So great was their desire to avoid collision with the Senate, that they went to the extreme—beyond it, indeed—in conciliation, in yielding all other provisos, but now they seem resolute, and I hope and trust they may prove so. Meantime it is sad, but not unexpected, to [illegible] the [illegible] and made [illegible] new chance of the pro slavery [illegible] and exterminate the must very [illegible] soon as Congress should be out of the way—the Free State men [illegible] taken up to fight their own way, and by striking a timely blow to show the adversary that they are prepared for any extremity. Civil war—countenanced, certainly—I fear it must be said forwarded by the Chief Magistrate of the U. S., now exists in Kansas. Blood has been shed and more, it is feared, is to be, in battle between citizens of the same country—the great highway of the Missouri solemnly guaranteed as a free highway forever by that same ordinance of 1787, which also guaranteed freedom forever to the Northwest—that great highway is barred against freemen, and open only to the masters of slaves, and the President of the U. S., who turns his dragoons loose against free settlers, has no word of condemnation to offer, or process of law or of arms to resort to, to stop this outrage upon Freedom by Slavery—this open, palpable violation of written law! And yet we are *told* to be patient and forbearing.

Senator Seward on the Army Bill Proviso.

Mr Seward in his late speech on the subject of the Kansas Proviso in the Army Bill said:

Sir, call these provisions which I have recited by what name you will—edicts, ordinances or statutes—they are the laws which the House of Representatives says shall not be enforced in Kansas by the Army of the United States. I give my thanks to the House of Representatives sincere and hearty thanks. I salute the House of Representatives with the homage of my profound respect. It has vindicated the Constitution of my country, it has vindicated the cause of freedom, it has vindicated the cause of humanity. Even though it shall timely rescind this condition to-morrow, when it shall come into conflict with the Senate of the United States, yet I shall nevertheless regard this proviso, standing on the [illegible] only one single day, as an omen of more [illegible] and humane legislation in that great [illegible] When, hereafter, one shall be looking through the pages of statute laws affecting the African race for a period of more than a quarter of a century, he will regard this ephemeral recognition of the equality of men with the affection and hope which the traveler feels when approaching a green spot in the deserts of Arabia. It must be other Senators, not I who shall consent to blast this oasis, and disappoint all the hopes that are ready now bursting the bud upon it.

I desire, Mr President, on this great occasion—perhaps the last one of full debate during the present session of Congress—to deliver my whole mind upon this important subject. I add, therefore, that the tendency and end—I will not say object—of the revolution which has been effected in Kansas, which has been effected by her connivance, [illegible] through the countenance and aid of the President of the United States, is not of such a character as to reconcile me to that revolution. [illegible] is the establishment of human slavery within the territory of Kansas. If I should give my vote and the majority of the Senate [illegible] the army bill as it came from the House of Representatives, I should thereby show that I was at least indifferent on so great [illegible] Sir, I could never forgive myself here [illegible] reviewing the course of my public [illegible] essential to inflict upon even the [illegible] of Kansas, few and poor, scattered through the forests and prairies as they [illegible] which [illegible] the mischief and devils of a system of compulsory labor, excluding, as we know by experience that it always does, intelligent labor of freemen.

But it is not merely on to day and this generation that I am looking. I cannot restrain my vision, [illegible] the effort at least to penetrate through a period twenty years—of fifty years—of hundreds of years—of even two hundred years—of [illegible] as a statesman's vision ought to reach [illegible] the horizon that separates the future from our observation. All along, and through that dim explored vista, I see rising up before me hundreds of thousands, millions even tens of millions, of countrymen, receiving their forms and their fates, as they are being shaped by the action of the Congress of the United States, in this hour of *languor* at the close of a weary day near the end of a protracted and tedious session. I shall not indeed, meet them here on the earth, but I shall meet them all on the day when I shall give up the final account of the [illegible] which my country has confided to me. If I were now to consent to such an act, with my opinions and convictions, the fruit of early patriotic and Christian teachings, matured by reading of history, by observation in States where freedom flourishes, as well as in societies where slavery is tolerated, by experience throughout a life which already approaches the climacteric, by travel in my own and foreign lands, by reflection and the discipline of conscience and the responsibilities of duty, by social converse, and by a thousand collisions of debate, I should be obliged, when that last day shall come to me, to [illegible] call upon the rocks and the mountains to fall upon me, and to cover me, and my name detested to be buried [illegible] into the endless oblivion which is most unwelcome of all evils, real or imaginary, to the thoughts of a generous and illuminated human mind. Policy forbids me to do it. Justice forbids me to do it. Humanity forbids me *to do it*. And the constitution of my country—wisest of all constitutions—the [illegible] of all constitutions—most humane of all constitutions which the inventive genius of man has ever *framed*—forbids me to do it.

Shocking Suicide in Chicago.

William McMillan shot himself at his own house on Indiana street, west of Franklin, on Thursday night, about 8 o'clock, with a revolver. He had been about the city all day, often seen with friends, and exhibited his usual cheerfulness, without being at all intoxicated. It is well known that he has been pecuniarily embarrassed for some time, and was at last reduced to extreme poverty.

Mrs McMillan, in whose presence the fatal act was committed, a little child being asleep at the time, testified as follows:

He had came home about 8 o'clock and lay down. He was very low spirited, and talked about his debts and troubles. I thought he had been drinking. He said, "To-morrow I will be in the bone yard." She asked him what he meant by talking so, what bone yard? "Oh, he replied, "there are several bone yards, one where they make buttons, you know." She went down stairs to admit Mr Shirley and soon after she returned, her husband got up, went to the bureau, unlocked a drawer, and took something out, but she did not see what. She had never seen him have a pistol, and did not know that he kept one in the bureau. Never thought of such a thing. He went down stairs and walked through the back part of the house. Thinks he did not go into the room where Shirley was, but through a back hall door into the back yard. He returned in a few minutes, and sitting down on the side of the bed by the babe, showed a pistol in his right hand, saying, in a loud voice, "Do you see that?" She screamed, "Are you going to kill me?" "No," he answered, and raising his hand quickly, so that the pistol pointed downward to the top of his head, fired.—*Dem Pr.*

THE DOG NOBLE BARKING UP THE WRONG TREE.—Erastus Brooks spoke at an American meeting in Elmira, N. Y., on Monday evening of this week. The *Advertiser* says:

"The speaker referred to Mr Fremont's rich gig, the mention of which drew a *taunt* as [illegible] from the audience, whereupon an implacable dog barked, and several voices cried, 'The squirrel's gone!' and the whole assembly seemed to shout their approbation of the reference to Henry Ward Beecher's dog Noble, barking at the hole in the wall. This was too much for the speaker. He tried to recover, but could not—the popular feeling was against him. He was in a rotten barn, stemming a current stronger than the rapids of Niagara. He rowed, and swat, and blowed, and tugged, but all to no purpose, high and flushed and the thunder at the *[illegible] and the speaker was completely overwhelmed* by the enthusiasm manifested for the Pathfinder. But before he left the stand he let the cat out of the bag completely. He said 'he was not here to say who should be President, but to do what he could to give Mr Fillmore the electoral vote of New York.'"

GREAT GERMAN MEETING AT VAN BERGEN'S HALL.—The Germans of Madison turned out in large numbers last evening to hear Judge Stallo speak for Fremont and Freedom. The audience was one of the largest ever assembled at a political meeting in the City, and could not by any possibility have crowded into the Court House.

Mr Stallo is a most fascinating and graceful orator, speaking earnestly, clearly and cogently to *his* countrymen, exposing the false issues raised by the sham Democracy, the duplicity of their conduct, their utter faithlessness to principle, as manifested by comparing their avowed principles to day, with their avowed principles in 1849, and showing how they raise the cry of Know Nothingism against the party of Freedom, in order to deceive foreign-born voters into the slavery ranks, while they are themselves check by jowl with that secret organization.

The meeting was an excellent one, and has opened the eyes of many of the Germans to their duty in the present campaign.—*Madison Journal.*

A SCENE [illegible]—The Fillmore portion of the Know Nothing State Council at Syracuse went through with their business yesterday. Resolutions censuring the attack on Senator Sumner were ruled out of order by the presiding officer, Mr Sammons, and on an appeal, his ruling was sustained—a majority of the Council voting that they would not censure Mr Brooks nor his supporters, and that they would not declare against the villanies in Kansas. Thereupon the few friends of Freedom who had escaped the vigilance of Mr Sammons and got into the Council shook the dust from their feet and left the [illegible]—*N. Y. Tribune.*

Chills and Fever

TO THOSE who are afflicted with this disagreeable and baffling malady, we would state, that after years of high ertonuous [illegible] research, a medicine has been discovered which will in every case effect a certain and permanent cure of this dreaded disease. It is not a quack nostrum prepared to extract money from sufferers, for the proprietor offers to refund the money if a cure is not effected after following the directions. He is assured by the evidence of hundreds of cures which they have effected that this medicine is in reality the remedy so long desired in the Western country. This valuable medicine is prepared in the form of a pill from the bark of a shrub, which has proved to be a perfect antidote to Malaria. They are simple and plain in their nature, powerful and active in their operation and perfectly harmless to the system, having no other than a specific effect upon the disease which is truly wonderful. Some persons have stated that these pills must contain arsenic, or some powerful mineral, owing to their quick effect in curing this disease. The proprietor would state that he will pay one thousand dollars to any chemist who will find one particle of mineral in this composition.

Certificates of cure from persons of the highest respectability can be obtained by calling at the Drug Store of HENRY FESS, Jr, No 195 East Water street.

N B. One great recommendation for these pills are that they only require about five to effect a cure. Enquire for THAYER'S OMEGA PILL for the immediate cure of chills and fever or intermittent fevers of every description. Prepared and sold wholesale and retail by FRED W THAYER, 697 Washington street, Boston.

Dalley's Medical Pain Extractor.

HERE never has been a discovery made in the Materia Medica whereby pain can be so quickly allayed, and where parts in a high state of inflammation can be so rapidly reduced to their natural state, nor where wounds and sores can be so rapidly and thoroughly healed, and decayed parts restored without scar or defect, than with DALLEY'S MAGICAL PAIN EXTRACTOR.

In cuts, wounds, sprains and bruises—casualties to which children are so constantly subject—the action of the genuine DALLEY'S PAIN EXTRACTOR is ever the same! How much pain and suffering may not thus be prevented. Moreover, life itself is often dependent upon having on hand the genuine DALLEY EXTRACTOR, and for particulars of which I respectfully refer to my printed pamphlets for the truth of which I hold myself responsible.

No cases of burns or scalds, no matter how severe, has ever yet in any one instance resisted the all powerful, pain subduing and healing qualities of the DALLEY'S PAIN EXTRACTOR.

No PAIN EXTRACTOR is genuine unless the box has upon it a Steel Plate Engraved Label with the signature of C. V. CLICKENER & CO, proprietors, and HENRY DALLEY, manufacturer. Price 25 cents per box.

☞ All should be addressed to C V Clickener & Co, 76 Barclay and 222 Greenwich street, New York.

Sold by all Druggists and Medicine Dealers throughout the United States. jy10d112d&w8m

Bridget Riley, one of the most frequent offenders in the city, was brought up for being drunk and disorderly, and sentenced to ninety days imprisonment in the County Jail, in default of $5. Henry Darve discharged to the care of the superintendent of the Poor. John Doe, *alias*, for violating bay ordinance, was fined $ and costs.

MRS GUENTHER'S ACADEMY.—We are requested to say that this school for young ladies which has been advertised for some time in our columns is opened to day, in the new brick block corner of Jackson and Martin Sts. We call attention to it with pleasure, as we have the assurances of parents of young ladies who have been under Mrs Guenther's charge, that the institution is admirably conducted and successful.

ARREST OF "WILD WILLIE."—This woman was arrested on Saturday afternoon by the Chief of Police and officer Frank, and a long disturbed of a loaded pistol and dirk was taken to the Watch House. Captain Stone made a complaint against her before the Police Justice, and a warrant was issued against her, upon which she was taken to jail. Her examination was set down for this morning. We believe the warrant is on a charge of her going and threatening to take the life of Capt. Stone upon his refusal to give money.

RAILROAD IRON.—The schooner *Hurricane*, on Saturday arrived from Buffalo bringing 1,279 bars of iron for the M & M R R. The schooner *Nile* from Cleveland, brings 2 bars for the M & M R R. and the schr. from Oswego, 823 for the La C & M R R.—Also schr. with 240 tons for the M & W R R.

REGATTA DURING THE STATE FAIR.—The attention of boat clubs is invited to the announcement of the Regatta, to be held during the State Fair. The programme is an inviting one, and we expect to see some fine sport.

PYNE & HARRISON TROUPE—ANOTHER CONCERT.—We are gratified, and we are sure that all of our music loving readers will be glad to learn that Miss LOUISA PYNE and her party will return here, and give another performance on Thursday Evening of this week.

ACCIDENT.—As John Griffin and lady were riding on Saturday afternoon, when near the Kinnekinnick in the Town of Lake, the horse became frightened at some cattle, running against a ridge, and threw them both out of the buggy breaking one of Mrs Griffin's legs just above the ankle joint.

NEW ADVERTISEMENTS.

MATHEMATICS!!

Young Men! Improve your Evenings.

SALOM H. SALOM, a Graduate Medallist in the University of Edinburgh, Scotland, respectfully announces the resumption of his evening classes for tuition on the plan which received so much approbation last fall and winter. There is no class system, and as the number of pupils at each series of meetings is restricted to 12, members enjoy all the advantages without the expense of private lessons. The course will embrace—

1. Algebra, geometry, conic sections, the differential and integral calculus, the calculus of variations, finite differences and symbols, with their applications to land surveying, strength of material, navigation and nautical astronomy, life assurance, rational mechanics, and undulatory theory of light.

2. Book keeping in all its details.

3. Writing and arithmetic—great attention paid to those desirous of acquiring a flowing business hand. The arithmetical course includes general averages and equation of payments, and is modified to the peculiar vocation of each pupil. Instruction given during the day. Further particulars on application at the rooms on Third St., (last house) near M & M R R Depot, from 7 to 8 P M, or by note addressed to box 1062. sept1 d892 6wd*

City Land Office.

GREAT AND EXTENSIVE SALE of Lots in KILBOURN CITY, situated on the Wisconsin River, at the point where the Lacrosse and Milwaukee Railroad crosses the river, and must and will be the important station between Milwaukee and La Crosse.

The Wisconsin River is capable of furnishing the greatest Water Power of any river in the United States. The manufacture of lumber, of which over one hundred millions of feet are annually manufactured on the Wisconsin River, will furnish immediate use for the greatest portion of this water power. The Wisconsin River abounds in pine forests which are more extensive than those any other river in the West.

The site of Kilbourn City is magnificent, being a plain rising from a bluff elevation of 80 feet at the river bank to an elevation of some 209 to 250 feet, where it meets the table land two miles east of the river. The whole is Oak Openings, and the land lays beautifully.

The best, purest and softest water can be had by digging or boring. Kilbourn City was laid out and building commenced in Sept last, since which time some 15 or 20 buildings have been erected, at a cost of from one to three thousand dollars each, and great numbers of others are in process of construction.

In fact, it would require two columns of one of our daily papers to give an adequate account of the advantages of Kilbourn City. One word is sufficient and it is this: The chance in no city laid out in many years which has offered so many inducements and advantages and where capitalists can invest their money so promising as in Kilbourn City.

To those who are emigrating to this country here is a great opportunity. Go and buy at and the sale which comes off Monday, August 18th, and continue from day to day through the week. Over one thousand lots will be offered. The terms of payment will be very easy. A small amount will be required down and the balance on long time, (particularly to those who intend to build.)

Kilbourn City is in Columbia Co., State of Wisconsin.—You take cars from Milwaukee to Beaver Dam, where you will find conveyance to Kilbourn City. Maps of said city will be ready in a few days and can be obtained by calling at my office. CALEB WALL, aug5 Agent for Proprietors of Kilbourn City

NINE P. M REPORT.

THE ARMY BILL PASSED Without the Kansas Proviso!

ADJOURNMENT OF CONGRESS!

Washington, Aug 30

HOUSE.—Mr Campbell, of Ohio, obtained unanimous consent to report by direction of the Committee on Ways and Means, a bill making appropriations for the Army. He said it was the old Army bill with the following proviso: that no part of the military force of the U S for the support of which appropriations are made by this act, shall be employed in aid of the enforcement of and enactment heretofore passed in the bodies claiming to be the Territorial Legislatures of Kansas.

Mr Campbell demanded the previous question.

Mr Cobb of Ga applied to Mr Campbell to allow him to make a motion to strike out the proviso, in order that the sense of the House be taken on that question, and then act on the passage of the bill. [Cries of "that's right!—that's right!"]

Mr Davis of Md desired a test vote on a proposition he wished to offer.

Mr. Campbell refused to withdraw his demand for the previous question.

Mr Stephens said that there were gentlemen absent who did not expect that a vote would be taken so soon.

He moved a call of the House—motion agreed to, 198 members answered to their names. The doors were then closed to hear excuses from absentees. The bill then passed as originally reported by a vote of 91 against 80.

On motion of Mr. Benton, the House took up and passed the Senate's joint resolution authorizing the acceptance of gold medals by Surgeons Williams and Harrison from the Emperor of France, by Lieut Maury from Prussia and Holland and by Prof. Bache from Sweden—also permitting Dr Kane and the officers connected with him in the Arctic expedition to accept testimonials of respect from the British Government.

A message was then received from the Senate returning the army bill, with an amendment striking out the proviso. The House under the operation of the previous question, then *concurred in the Senate's amendment striking out the proviso* by yeas 101 noes 98.

The Senate bill fixing the time for the election in Delaware of Representatives to Congress was passed. Mr. Whitney asked but did not obtain leave to introduce a bill to repeal certain enactments of the Kansas legislature and to define and secure the rights of the people in that territory.

A message was then received from the President that he had signed the Army Bill.

Mr. Grow offered a resolution that the President be respectfully requested to direct the District Attorney to apply to the proper court for leave to enter a *nolle prosequi* on all the indictments now pending for treason or any other political offense alledged to have been committed in that Territory.

The taking of the question on this resolution was defeated by calling the Ayes and Noes on a motion to adjourn until a time concurrently fixed for the termination of the session, at half past 3 o'clock, when the Speaker declared the House adjourned *sine die*.

SENATE.—On motion of Mr Clay, a resolution was adopted requiring the Secretary of the Interior to report next session the amount required to pay the allowances proposed for the settlement of the claims of the revolutionary army, and of the widows and children of those who died in the service.

Mr. Houston spoke at some length on the Kansas question.

He denounced the repeal of the Missouri Compromise as the cause of all the trouble, and the Kansas code of laws as a disgrace to the age. He said the cardinal principle of the American party was attachment to the Union, and that if he were to hear a man of the party to which he belonged utter a word against the Union, altho' three score years might have relaxed the vigor of his frame he would knock him down forthwith.

Mr. Crittenden's bill to alter and amend the Kansas Nebraska acts was then tabled by 22 against 11.

A message was here received from the House informing the Senate of the passage of the Army Bill which having been taken up on motion of Mr Hunter the Senate struck out the proviso attached to it by Yeas 56, Noes 7.

The bill was then *passed*. A vote of thanks to the President pro tem was then unanimously adopted, and the usual committee appointed to wait on the President of the U S, and inform him that Congress was ready to adjourn. The committee subsequently reported that the President had no further communication to make, when the Senate adjourned *sine die*.

Fall of the Latting Observatory.

New York, Aug 30

The destruction of the Latting Observatory and the surrounding buildings by fire this morning has entailed a very heavy loss, variously estimated at from $100,000 to $200,000, which is partially covered by insurance. A large number of families were rendered houseless. The Observatory has recently been occupied by the Hydraulic Marble Works whose loss is estimated at $100,000 only $17,500 of which is insured.

Correspondence of the N Y Tribune.

WASHINGTON, August 29

On the strength of the democratic accessions, to-day, Mr. Cobb, of Ga, has asked a special meeting of the Committee on Ways and Means, to morrow morning. If they report a bill at all, it will contain the proviso restricting the employment of the military force with some provision.—The anti-proviso forces have gained five accessions to-day—Messrs. Foster, of Georgia, Hall of Iowa, Keitt, of S C., Kennett, of Missouri, and Puryear, of N. C.

Mr. Hall's pair with Mr Burlingame expired by limitation, consequently the Republicans lose one vote, unless the latter returns—he is notified.

Mr. Fuller's, of Maine, pair with Mr Day has also expired. It is said the former will return, while the latter is sick and cannot. These unexpected gains added to the absentees that may yet come, give the Administration the control on a new test, supposing the House to be full.

Mr. Faulkner, of Virginia, offered to guarantee his estate, for payment of the workmen at Harpers ferry armory to prevent dismissal of workmen. Similar assurance was tendered to Mr Whitney, superintendent at the Springfield works.

Latest from Kansas.

St Louis Aug 30.

Latest intelligence from Kansas says, the Missourians are concentrating their forces at New Santa Fee, ten miles south of Westport, on the dividing line between Missouri and Kansas. Companies were arriving daily from different counties, and by the time they would be ready to enter the Territory, their number would reach 2,000 men. Part of Lane's troops are fortifying themselves about seven miles off on the Wakarusa, but the main body at Lawrence. The number under his command is estimated at one or two thousand. Gen Atchison is said to command the Missourians. Col Doniphan is second in command, and Capt Reed Adjutant. A battle was looked for between those parties in the course of a week.

It is reported that the Free State men had taken Tecumseh with a loss to the pro-slavery party of 30 men. It is also reported that Gen Pomeroy (Free State leader) has been killed.

Hoyt's death is confirmed. In his trunk which was opened at Kansas City, was found a map showing the locality of pro slavery settlers, and designating a large number who must be killed (stuff!)

New York, August 29

The steamer *Columbia*, from San Juan, came up about half past seven o'clock. Nothing late from California. Trade at Nicaragua reported brisk. Breadstuffs and provisions bring good prices. No sickness at present among the troops.

The British fleet was still anchored at San Juan. Col Salazar was captured on board of a vessel by the Nicaraguan armed schooner Granada. Commodore Brusse's letter was found on his person, fully implicating the British Consul at Leon with intermeddling in the affairs of the country. The Granada had been cruising along the coast, making captures.

Many resignations by officers in Walker's army are recorded in the Nicaragua papers. Among the natives shot at Masaya for treason was Don Siverro Calvo, a wealthy merchant. The Judiciary was being organized in Nicaragua. Hon. Thos Busey, of California, is appointed Judge of Granada.

New York, Aug 30

The steamship Baltic sailed at noon to-day, with 91 passengers, for Liverpool. She takes out 200,000 in specie.

Three San Francisco exiles, named Bulle, White and Conner, who arrived in the Illinois, were arrested here yesterday, charged with robbing a lady passenger on that steamer of a large amount of gold.

Pittsburg, Aug 30

One hundred and thirty artisans were discharged to day from the Alleghany Arsenal. There is considerable excitement at Lawrenceville in consequence of delay in the passing of the Army Bill.

New York, Aug 30

Three new cases of yellow fever are reported at Staten Island. There has been eight deaths from yellow fever among the troops at Governor's Island.

The steamer Calhoun with late dates from Nicaragua, has arrived at Quarantine.

TURTON & SERCOMB,

IS STILL IN FULL BLAST, WORKING DAY AND night to supply the daily increasing wants of the Badger and other States.
In order the better to do this, the proprietors have erected a large brick Foundry in addition to their former premises. They have added to their stock of Tools a large Planing or Shaping Machine, three Lathes and a Machine for making bolts, and are now putting in a Steam Engine of — horse power to drive the whole, thereby adding to the former facilities for the successful carrying on of the Foundry, Machine, Engine and Blacksmithing business. They never were in a better position for doing business, and

In regard to the character of the work got up by this
The Oldest Establishment in the State
the Proprietors refer to that in successful operation through the country as their best recommendation, as it can speak for itself! All they can say is that they are both PRACTICAL MECHANICS, and know how work should be done as well as the next man.
They continue to manufacture FLOUR and SAW MILL GEARING, STEAM ENGINES, on the most approved models.
They have always on hand a large stock of BRASS WORKS, such as GAUGE AND CYLINDER COCKS, OIL CUPS AND COCKS AND STEAM WHISTLES. Also TURTON'S FILES which they will sell at the lowest cash price.
They are also Agents for EASTMAN'S PATENT STEAM GAUGES, which are well worth the attention of all those who use Steam Engines.
In conclusion, they invite a continued share of the patronage of their old friends, and solicit a call from all those in want of Saw or Flouring Mill Work, assuring them that no exertions will be spared to render the Old Eagle worthy of the reputation it has already gained.
Their motto is, *Excelsior!*

MILWAUKEE, - - - WISCONSIN.

THE proprietors of the Milwaukee Commercial College would respectfully announce that the liberal patronage that has been extended to this deservedly popular enterprise has led them to extend the field of study, so that it will embrace every branch of a thorough Commercial Education. As there are no classes formed in any department of study—(thereby enabling the student to enter any time, each one receiving separate instructions)—the student, on entering, is placed in the Counting Room with actual business to work from, thus making his education not merely theoretical, but practical to the last degree. The Commercial Course comprises Book Keeping by Double Entry, in its various forms as adapted to Wholesale, Retail, Commission, Manufacturing, Cotton House, Banking, Railroading, Joint stock, partnership, and compound Company business, Commercial Calculations in percentage, Exchange, Bank and Regular Discounts, averaging Accounts by Simple and Compound Equations, &c. according to the most approved methods. Commercial Correspondence, including account sales, account currents, drafts, bills of exchange, &c.
Also a perfect system of detecting Counterfeit Bank Notes will be given to each student.
A good Hand Writing guaranteed to every person completing the course.
During the season, Lectures on Commercial Law will be delivered by eminent legal and business men, and no pains will be spared to make this department particularly attractive.
The Reading Room will be supplied with the various Daily and other papers and publications.
Particular attention will be given to Ladies who may wish to acquire a business education, and separate rooms have been handsomely fitted up for their use.
Merchants and other business men are informed that, at any time, by a few days notice, they can be supplied with competent Accountants. Young men will be assisted in procuring situations when desired.
